Happy Spring fellow snowmobilers!

I'm officially writing my first newsletter as your new club president. I have some pretty big shoes to fill and hope I can do the position the justice that Jerry Ebersole has done for the past 2 years as our president. As most of you know, Jerry has moved on to become the region 8 director. I plan on continuing Jerry's vision of making our club and trail system a go-to destination for winter recreation. As I write this, we have just finished removing a good portion of the signs on the trails and have tucked them away for their summer slumber. Our club members are currently busy contacting legislators and trying to help get the registration revision pushed through so that funds available for trails and equipment increase. We have had a great winter (other than the lack of constant snowpack) in the Central Iowa Snowmobile club. Thanks to the Iowa DNR, Jerry's many phone calls, emails, and help from Dave Downing we have obtained our new groomer. Club sponsorships and memberships have increased as well. Lets carry this momentum into the summer and fall and make next year the biggest year yet in Central Iowa Snowmobile Club's history. I hope we can all continue to work together for the enjoyment of our sport and continue to promote safety and fellowship to the generation that is looking up to all of us for inspiration.

Kevin Weese, president
